

## BLUM DIGITAL COLLECTION

David Blum was a distinguished **musician and writer**, who documented his singular, inner journey in dream images, text, and music, over a thirty-five year period.

The forty-four exquisite digital reproductions of the original oil pastel paintings, are each accompanied by a rich and penetrating commentary, derived from the following primary sources: David Blum's unpublished "Pictures from the Unconscious," personal diaries, dream journals, and the DVD documentary, entitled "**Appointment with The Wise Old Dog**," produced in 1998, when David Blum was dying from cancer. Image and text reveal an unfolding story of a man's path towards wholeness, in which he faces death, yet experiences a healing transformation. David Blum's "Pictures from the Unconscious" should serve as a deep well for all of us, inspiring and guiding our own search for wisdom as often as we choose to drink from its rich source.
