

The Archive for Research in Archetypal Symbolism (ARAS) is a pictorial and written archive of mythological, ritualistic, and symbolic images from all over the world and from all epochs of human history. The collection probes the universality of archetypal themes and provides a testament to the deep and abiding connections that unite the disparate factions of the human family.

EKPHRAZEIN

A MEETING OF POETRY AND IMAGE

THE ARCHIVE FOR RESEARCH IN
ARCHETYPAL SYMBOLISM

SEPTEMBER 20, 2013

7 PM

EKPHRAZEIN is a quarterly, multi-disciplinary performance series, hosted by ARAS. In the spirit of the ARAS Archives, *Ekphrazein* aims to connect cultures, eras, schools of thought, and aesthetic perspectives with the multiplicity of interpretations surrounding a single archetypal theme. Our artists interpret, reveal, and share their own illuminations of the images chosen. Our hope is that new forms or ways of knowing arise from this encounter.

EKPHRAZEIN

INTRODUCTIONS

Ami Ronnberg, Curator of ARAS

Dr. Rachel Eisendrath, Assistant Professor of English at Barnard College, Columbia University
